HELPING YOUNG PARENTS AND
CHILDREN STAY CONNECTED!

BABY ELMO PARENTING AND VISITING PROGRAM

BABY ELMO PARENTING AND VISITING PROGRAM

STAYING CONNECTED

In the Baby Elmo Parenting and Visiting Program, you can stay connected to your child.

You will visit with your child and learn how to make playing fun!

WHY SIGN UP?

- You will learn fun activities to play with your child. These can help you so your child can do well later in school and life.
- You get to spend time playing and building a relationship with your child.

1 CLASS A WEEK

- You will go to a class once a week. In class, you will:
- Learn what your child might be thinking and feeling
- Learn activities to do with your child during visits.

1 VISIT A WEEK

- You will get to visit once a week with your child in a special room. Your child's caregiver may also come to the visits.
- During each visit, you will do the activities learned in the class using toys and movies.
- Fun new parenting skills will help time together during visits be the best it can.
